

CIRCULAR NO (DHP/2026/36)

From	Department of Healthcare Professions - Ministry of Public Health
To	- All healthcare practitioners in the State of Qatar (government and private sectors) - All healthcare facilities in the State of Qatar (government and private sectors)
Subject	Approval of a Third Provider of Primary Source Verification (PSV) Services: Approved Verification Services (AVS)
Date	03/09/2026

Department of Healthcare Professions extends its best regards.

As part of the Department of Healthcare Professions’ efforts to streamline registration and licensing procedures for healthcare practitioners, the Department announces the availability of an additional service for verifying the authenticity of credentials submitted for registration and licensing purposes, under a partnership agreement signed with **Approved Verification Services (AVS)**.

Under this partnership, **Approved Verification Services** becomes the third approved provider of primary source verification services, which are among the essential requirements for obtaining a licence to practise in the State of Qatar.

- Healthcare practitioners applying for a licence may submit verification requests through **Approved Verification Services from the date of issuance of this Circular, as well as through the other verification companies approved by the Department of Healthcare Professions at the Ministry of Public Health.**

Please refer to the Approved Verification Services electronic application guide, which includes the service fee schedule:
