Agenda

- o Background / Context
- o Summary of Work
- o Lessons Learned
- o Take-home Messages
- o Questions?

Ottawa...Doha

Background

- o Royal College Canada International
 - o Royal College of Physicians and Surgeons of Canada - established CPD system
 - o MOC Program mandatory for Fellowship; CPD linked to licensure
 - o hybrid CPD accreditation system – providers/activities
 - o substantive equivalency with AMA, UEMS, ACCME
- o Supreme Council of Health
 - o Qatar Council for Healthcare Practitioners
 - o Emiri decree
 - o Qatar National Vision (QNV) 2030 – “Advancing healthcare”
 - o National Health Strategy (NHS) 2011-2016
 - o intended to propel Qatar toward health goals contained in QNV 2030

QCHP collaboration with RCCI started in 2014

The Qatar Plan

- QCHP-AD – Accreditation Department of the Qatar Council for Healthcare Practitioners
 - Responsible for the implementation of a CPD/CME framework for all HCPs (physicians, dentists, pharmacists, nurses, allied health)
- CPD Participation Mandatory for:
 - All licensed healthcare practitioners in the State of Qatar
 - Sustaining (renewal of) licensure
- Established Educational Principles:
 - Continuous Improvement
 - Professional Development
 - Relevance
 - Reflection
 - Self-assessment
- CPD System:
 - CPD framework, CPD credit system
 - CPD accreditation system

Mandatory CPD coming...2016!

Desired Outcomes

CPD Framework, credit system

**Category 1:
Accredited
Group Learning**

**Category 2:
Self-Directed
Learning**

**Category 3:
Accredited
Assessment
Activities**

Description	CPD Activities	Credit Rating	Supporting Documentation Requirements

Clinical Practice	Self-learning activities are planned and implemented by a health care practitioner as:		Document these self-learning activities in the CPD portfolio or (where applicable) the provision of a transcript from a third party		
	address needs related to clinical practice	<ul style="list-style-type: none">Answering self-identified clinical questionsReading journals, books or monographsViewing podcasts or webcasts		<ul style="list-style-type: none">0.5 credits/hour1 credit/hour0.5 credits/hour	
Education and Training	address needs related to engaging in education and training	<ul style="list-style-type: none">Postgraduate degree or diploma programs recognized by a relevant professional bodyPreparation for formal teaching activitiesDevelopment of assessment tools or activities (including Objective Structured Clinical Examination (OSCE), MCQ or short-answer questions)Educational sessions to enhance the skills of examinersMentoring students, trainees, or peers	<ul style="list-style-type: none">25 credits/ semester or course2 credits/hour2 credits/hour1 credit/hour1 credit/hour	<ul style="list-style-type: none">Transcript of the course from the responsible organisationTeaching schedule from the responsible organisation or academic institutionLetter describing participation in the development of assessment tools or activities from the responsible organisationCertificate or letter of participation from the responsible organisationLetter from the responsible organisation	
	Research and Quality Improvement	address needs related to engaging in research and quality improvement	<ul style="list-style-type: none">Development of a research grant or peer-reviewed publicationPeer review of a clinical practicePeer review for journals or research grantsParticipating in or leading quality improvement projects	<ul style="list-style-type: none">1 credit/hour1 credit/hour1 credit/hour10 credits/project	<ul style="list-style-type: none">Letter of acceptance of a grant or publication or letter of participation in peer review or participation in QCI from the responsible organisation, journal or healthcare facility
Category 3 - Accredited Assessment Activities					
Activities provide individual, or groups of healthcare practitioners, or inter-professional health teams, with data and feedback on their knowledge, competence or performance. All accredited assessment programs, activities, or instruments must meet the standards established by the QCHP-AD.	Accredited Assessment <ul style="list-style-type: none">Knowledge assessment programsSimulationClinical auditsMulti-sources feedbackDirect observation of procedures or performance in practice	2 credits/hour	Certificate, letter or report of completion or participation from the responsible organisation		
	Other Assessment <ul style="list-style-type: none">Feedback from annual performance reviewFeedback on teaching effectiveness	2 credits/hour	Summary of the feedback from the responsible organisation or participants		

80 credits/cycle

**At least
40 credits from
Category 1;
40 credits across
Categories 2&3**

**Online or
Face-to-Face**

Desired Outcomes

- o The **CPD Accreditation System** for the State of Qatar will be:
 - o a hybrid system focused on both CPD provider organizations and individual CPD activities
- o The CPD Accreditation system for the State of Qatar will:
 - o Be based on a reasonable set of standards
 - o Demonstrate accountability and fairness
 - o Promote continuous improvement
 - o Encourage effective collaboration
 - o Value learning across a range of competencies
 - o Measure achievement of outcomes
 - o Promote mutual accountability – based on a national set of values and educational principles
 - o Serve as a mark of ‘educational quality’
 - o Value continuous improvement
 - o Facilitate HCPs’ access to high-quality educational resources

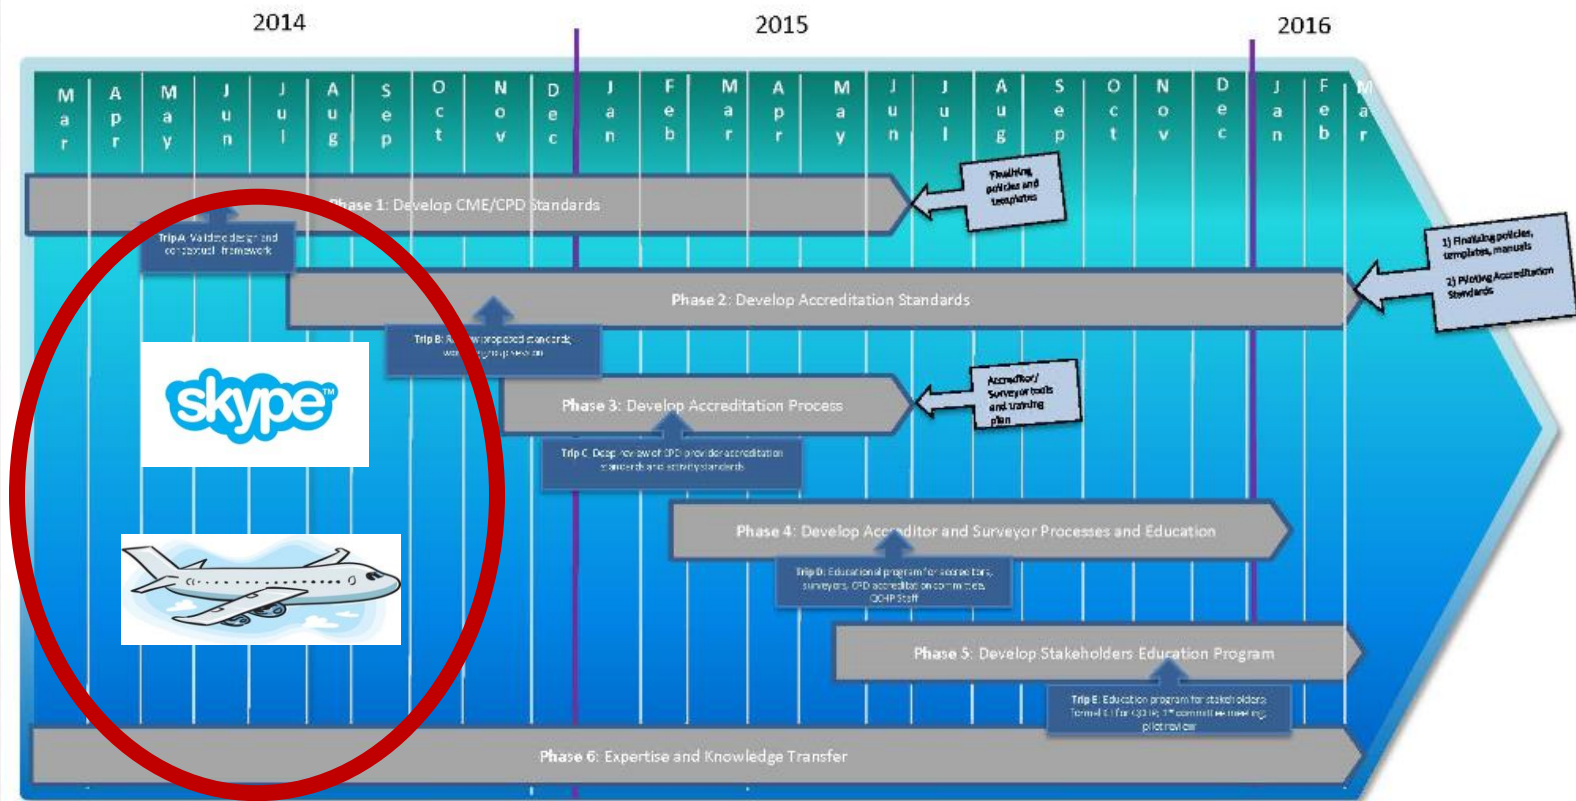

Principles & Values; Standards; Quality; Continuous Improvement

How to Achieve in 2 Years?

*Coming together is
a beginning;
keeping together is
progress; working
together is success.*

Henry Ford

Collaboration Project Roadmap

Challenges / Lessons Learned

- o Scope: One system across all health professions
 - o All healthcare practitioners (physicians, nurses, pharmacists, dentists, allied health)
- o Distance; geography; timezones
- o Time constraints – 2016 mandatory
- o External Policies – e.g. Link to registration
- o Change management critical
 - o Varied stakeholders
 - o Communications (2-way); Training; Buy-in
 - o Pilots

Involving Stakeholders in Process Key...Co-create!

Next Steps

- o Launch CPD system – spring 2016
 - o Mandatory reporting
 - o Communications
 - o Ongoing Support
- o International recognition
- o Program evaluation
 - o Continuous evolution
 - o “Success”?
- o Share lessons with others!

Take-home Messages

- National CPD systems can be developed and enhanced through international consultation and collaboration.
- Geography doesn't have to be a barrier.
- Context is critical.
- Language is important.
- Share and learn from each other!
