Privilege Request

Additional Privileges *(Specify if any)*:			

Note:

- You must submit along with this application all necessary document(s) to support your request. If documentation is incomplete, your request will not be accepted.
- By signing below, I acknowledge that I have read, understand, and agree to abide by DHP standards for privileging. I have requested only those privileges for which by education, training, current experience and demonstrated performance I am qualified to perform and wish to exercise, and I understand that:

a) In exercising any clinical privileges granted, I am constrained by DHP's policies and rules applicable generally and any applicable to the particular situation.
b) Any restriction on the clinical privileges granted to me is waived in an emergency situation and in such situation my actions are governed by the recognized policies and rules.

PEDODONTIC CASE SUBMISSION GUIDELINES FOR SPECIALIST POST

1) All candidates are required to submit **6** cases on a USB drive.

2) All cases should be submitted officially through the Department of Healthcare Professions, Ministry of Public Health.

3) Without exception, excellent quality radiographs or digital images should be the standard.

4) Three of the submitted cases should be in operative dentistry including but not limited to fillings (occlusal and proximal fillings), crowns, nerve treatment (pulpotomies, pulpectomies etc) and extractions. Each case should include full mouth treatment, should not be limited to a single tooth or a single quadrant.

5) One case should involve the management of Dental trauma, either in the primary or permanent dentition.

6) The other two cases can be selected by the applicant himself/herself.

7) All cases should have complete documentation (copy of Patient's dental file) including the following:

a. Patient details
b. Medical & dental history
c. Pre-treatment radiographs
d. Diagnosis
e. Treatment plan
f. Post-treatment radiographs
g. Recall & follow-up radiographs
