“Qatar Council for Healthcare Practitioners presents to you its compliments”.

In Qatar Council for Healthcare Practitioners pursuit to improve the services provided for healthcare practitioners, the Registration Department has provided practitioners, employers and the public a number of direct platforms to ensure we receive proper feedback and suggestions from our stakeholders as well as provide healthcare practitioners with the most updated information. This has being done through the launch of social media channels on (Facebook) and (Twitter). The QCHP website has also been updated with more comprehensive content and an easier look and feel to its pages to provide easier navigation. The updated website was launched on the 7th of December, 2016. You can contact the Registration Department on these websites:
