From	Qatar Council for Healthcare Practitioners – Accreditation Department (QCHP-AD)
To	All Licensed Healthcare Practitioners in the State of Qatar
Subject	Launch of Online Feedback and Messaging through Practitioner's ePortfolio
Date	July 31, 2018

Qatar Council for Healthcare Practitioners, Accreditation Department (QCHP-AD) presents its greeting to you.

As part of the QCHP's continuous pursuit to enhance its services provided to its stakeholders and to expedite processes by providing multiple formal communication channels, the Accreditation Department is pleased to announce to licensed healthcare practitioners the launch of the online feedback functionality through their CPD ePortfolio.

This new system enhancement allows practitioners to send queries, feedback, complains and suggestions directly to the Accreditation Department- QCHP. This is complementary to the already existing Accreditation Department helpline, departmental email and open days.

We hope that this new additional feature will enhance the overall satisfaction of our healthcare practitioners.
