Date	12 February 2018

“Registration Department in Qatar Council for Healthcare Practitioners presents to you its compliments”

In the Qatar Council’s pursuit to the continuous improvement and development, and in order to facilitate and accelerate the procedures of registration/ licensing process for healthcare practitioners; the Registration Department in QCHP announces that the “Nurse Technician” scope will be included under the Nursing profession instead of Allied Health category.

Accordingly, the new procedure will be as follows:

- New applicants should select “Nurse” from the profession tab, then click on the “Nurse Technician” from the scopes drop menu.
- The currently licensed nurse technicians will be automatically moved under the nursing profession and they will be informed of their new license numbers with same issue date. They must log in to their account and print the new license.
