Subject	New updates to the general plan for the CPR course requirements for healthcare practitioners registration and renewal
Date	20/08/2014

“Registration Department in Qatar Council for Healthcare Practitioners presents to you its compliments”

In order to ensure the quality of healthcare provided to the citizens and residents in the State of Qatar and based on the recommendations of PLC (Permanent Licensing Committee) at it’s meeting held on 13/07/2014, the Registration and Licensing Department in Qatar Council for Healthcare Practitioners has reviewed and updated the policy and the general plan for the CPR courses required to obtain or renew the license to work in Qatar’s health sector.

Therefore, all healthcare practitioners and facilities are requested to review the new updates and provide a certificate of completion for the required course indicated for their respective specialty for the purpose of getting a license or renewing it.

The policy above shall be put into effect as of the 31/08/2014

Thank you for your cooperation.

Regards,

Registration Team
