| Subject | Updates on circular no. (9/2014) regarding the general plan for the CPR course requirements |
| Date | 14th September 2014 |

"The Healthcare Practitioners Registration and Licensing Department in Qatar Council for Healthcare practitioners presents to you its compliments".

In order to leverage flexibility, transparency, and acceleration of the procedures and to improve the applicants' satisfaction levels with regards to the process of registration / renewal it has been decided as follows:

Further to the circular no. (9/2014) related to the updates to the general plan for the CPR course requirements for healthcare practitioners registration and renewal, please be informed that the circular is to be applied on CPR certificates issued or on courses registered after 31/08/2014. Hence any valid CPR certificate (according to the renewal date mentioned in the certificate) or any registration letter dated before 31/08/2014 with undertaking letter will be accepted.

For CPR certificates or registration letters dated after 31/08/2014, should be according to the circular no. (9/2014) otherwise the request should be rejected.

Thank you for your cooperation

Regards,
