Subject	Adding a new function: "Update Contact Info" on the Registration & Licensing System
Date	12 August, 2020

"Department of Healthcare Professions presents to you its compliments".

In the Department of Healthcare Professions' pursuit to enhance the registration and licensing system and its procedures, the Registration Section announces the addition of a new function which is the "Update Contact Info". Using this function, all licensed healthcare practitioners must update their communication email addresses and mobile numbers on the system before September 15th, 2020 to ensure that all their contact information is updated as we are going to implement the OTP (One Time Password) on all logins to the system by September 30th, 2020.
