Circular No. (14/2017)

From:	Qatar Council for Healthcare Practitioners (QCHP)
To:	<ul style="list-style-type: none">All Healthcare Practitioners in the state of Qatar (Governmental and Private Sectors)All Healthcare Facilities Focal Points in the State of Qatar (Governmental and Private Sectors)All stakeholders in the State of Qatar (Governmental and Private Sectors)
Subject	Addendum to Circular No.(10/2017) regarding E-profile update for all healthcare practitioners through the electronic registration/ licensing system
Date	31 July 2017

“The Qatar Council for Healthcare Practitioners (QCHP) presents to you its compliments.”

Further to the Circular No. (10/2017) regarding E-profile update for all healthcare practitioners through the electronic registration/ licensing system, the Qatar council for healthcare practitioners calls to note the following:

- Please note that as long as your electronic profile is complete, there is no need to apply for “update profile application”.
- If you have applied for a “change scope of practice” recently, then you have updated your qualifications and there is no need to apply for an “update profile” application.
- Please make sure that any data you add to your profile is supported by an attached document; otherwise, the application will be sent back, and to make sure that the added information matches the attached document(s) information.
- Practitioners are allowed to add any degree(s) they have regardless if it affects the licensing decision or not.
- If the information regarding work experience and registration license from home country is missing, it must be added to cover the work experience required as per the scope of practice up to the time of licensing application.
- It is a mandatory requirement to attach the primary source verification report (Dataflow report).

Should you have any question or inquiries, please contact:

- Ms. Jowaher Al Ali: jalali@MOPH.GOV.QA
- Dr. Souma El-Torky: seltorky@MOPH.GOV.QA

Thank you for your cooperation
