

CIRCULAR NO. (14/2022)

From	:	Department of Healthcare Professions / Ministry of Public Health
To	:	• All Dentists & All Healthcare Facilities at Governmental/Private sectors in the state of Qatar.
Subject	:	Updates on Circular (2017/03) regarding CPR courses for licensing and renewal purposes for Dentists
Date	:	27 September 2022

“Department of Healthcare Professions presents you its compliments”.

As part of the Department of Healthcare Professions’ pursuit to improve the quality of health care services in line with international standards of dentistry, and to enhance the dental services provided to the citizens and residents of the State of Qatar, it has been decided to update and modify the requirements of CPR courses for licensing and renewal purposes for Dentists as shown below:

Dentists	Required Training
General Scope Dentist /GD Supervised*	BLS
Specialist Dentists*	BLS
Pediatric Dentist	PLS

Notes:

- This policy is an update of the previous circular number (03/2017) for Dentists only.
- The updated policy shall be put into effect as of the circular date.
- In regards to the renewal requests which are under process with the DHP before the issuance of this circular, the CPR courses will be processed as per the updated policy.

*In case the practitioner is seeing significant number of pediatric patients, he/she is obliged to take PLS course.
