To	<ul style="list-style-type: none">• All Healthcare Practitioners in the state of Qatar• All Healthcare Facilities/focal points in the state of Qatar
Subject	Compatibility of the Registration and Licensing System
Date	13 October, 2020

“Department of Healthcare Professions presents to you its compliments”.

In the Department of Healthcare Professions’ pursuit to improve the services provided for healthcare practitioners, the Registration Section has enhanced the Registration and Licensing System’s compatibility on different browsers and operating systems (iOS and Android).

Practitioners and employers will be able to open their accounts using smartphones, desktops and tablets without facing any compatibility issues and this will improve the user experience for all users as well as enable the system to perform better on all platforms.

Attached are the guidelines on how to add the Registration and Licensing System as a shortcut to Android and iOS devices.

The screenshot displays a mobile browser interface for the website reg.qchp.org.qa. At the top, there is a star icon, a lock icon, and a refresh icon. The page content includes the State of Qatar Ministry of Public Health logo, two links: [Login/Sign In](#) and [Register/Sign Up](#), and a [Guidelines](#) link. Below these is a 'Login' section with a 'Username' field containing the placeholder text 'Please enter your User Name', a 'Password' field containing 'Please enter your Password', and a 'Sign In' button with an upward arrow. Overlaid on the bottom half of the screen is a white 'Add to Home screen' dialog box. It features a small version of the app icon on the left, a dashed red circle around the text 'Name DHP', and two buttons at the bottom: 'Cancel' and 'Add'. The mobile OS navigation bar is visible at the very bottom.

Click on “Add”
