Qatar Council for Healthcare Practitioners

1. Introduction

- The Qatar Council for Healthcare Practitioners strives to provide high standards to maintain accuracy and ultimate satisfaction from the services provided for healthcare practitioners in the State of Qatar.
- In the Registration Department's pursuit to unify and sustain the level of quality in the healthcare system, and based on Emiri decree no. (7/2013) and (13/2016) amending some items in the Emiri decree no. (7/2013) to establish the Qatar Council for Healthcare Practitioners.

2. Purpose

The purpose of this policy is to establish a Qualifying Examination Policy, which explains the procedures, guidelines and recognised examination for each profession under physicians, dentists, nurses, allied healthcare practitioners and pharmacists. It also establishes various exemptions and updates of the Qualifying Examination for Professionals in the field of healthcare of the State of Qatar.

3. Policy Statement

The qualifying exam is considered to be one of the requirements for registration / licensing of healthcare practitioners to ensure the efficiency and the eligibility of applicants, to work safely in the State of Qatar. The qualifying exam assess the ability to apply knowledge, concepts, and principles, and to determine fundamental patient-centered skills that are important in health and disease and that constitute the basis of safe and effective patient care.

Qatar Council for Healthcare Practitioners

7.6. Exam Score Rounding

Exam marks / scores can be rounded provided that the applicant is only 3 marks short of the qualifying mark, on condition that he/she sat for all the 5 attempts and the highest mark can be considered.

Notes:

- In case the licensed practitioner left the country within 5 years, and his license can be restored/ renewed, then he/she does not have to sit for the qualifying exam again.
- Practitioners, who have old license before the implementation of CBT Qualifying exam and those who were licensed to work in the governmental / semi-governmental sectors without exam and are still working, will not be required to sit for the exam
- If the practitioner changes from governmental / semi-governmental sectors to any other healthcare facility while the license is still valid, then there is no need to appear for the qualifying exam.
- In case of submitting the evaluation application within one month of the expiry date of the exam, then the practitioner will not require to sit for exam again.
- In case of re-evaluation, the exams that were expired within 1 year shall also be considered for one time; provided that the exam was valid at the time of first registration and evaluation
- The trainee license holders, who have appeared for the valid professional qualifying exam, are not required to sit for another exam when they change from trainee to full professional license. (E.g.; Trainee Dentist who has cleared qualifying exam for GP Dentist).
- A healthcare practitioner is not required to take a qualifying examination at the time of license renewal.
