Subject	Updates on the Launch of the Electronic copy of the license (E-License) through Electronic Registration and Licensing System.
Date	2 nd December , 2014

“The Registration Department in Qatar Council for Healthcare Practitioners presents to you its compliments”.

In alignment with its durable pursuit to enhance the quality of the services rendered by Qatar Council for Healthcare Practitioners , and in order to keep pace with the technological evolution , Qatar Council for Healthcare Practitioners will stop issuing physical license cards very soon and adopt the electronic version of the license, as shown below:

- 1- QCHP will continue issuing the physical medical license cards side by side with the electronic version for one month from the date of this circular, after which the Council will stop issuing these cards and will be replaced by the electronic version (E-License).
- 2- Any practitioner, focal point will have the ability to print his E-license whenever it's needed.
- 3- Upon the expiration of the license, the license will show the mark of **(expired)** on the electronic version, which ensures the credibility and transparency in dealing with patients and public.

Thanks for your cooperation,

Registration Department/ Qatar Council for Healthcare Practitioners
