Subject	Exemption from the Qualifying Exam (Prometric) for a Category of Dentists
Date	26 th of November, 2017

“The Registration Department in Qatar Council for Healthcare Practitioners presents to you its compliments”.

In the Registration Department’s pursuit to facilitate registration/licensing procedures of healthcare practitioners without compromising the patient safety and the quality of healthcare services; and as per permanent licensing committee’s recommendations at its 8th meeting held on 10th May 2017, it has been decided to exempt holders of a specialty qualification that is not among the list of approved specialty qualifications by QCHP from the qualifying exam (Prometric) during registration / licensing as general scope dentists, provided that the following criteria is met:

- The minimum study duration of the mentioned qualification should be 2 years.
- The study program should include the required accredited practical hours and clinical training.
- The fulfillment of other requirements for registration/licensing as per QCHP’s guidelines.
