Greetings from the Department of Healthcare Professions,

In alignment with the DHP's Continues pursuit to meet international best practices, ensure competency of healthcare practitioners and maintain patient safety, A "Dietitians Qualifying exam" has been launched to be one of the basic requirements for registration and licensing in the state of Qatar. This requirement will be applied to the new evaluation applications submitted through the electronic registration system after the date on this circular.

Notes:

- Regarding Dietitian's evaluation, licensing, and other applications submitted through the electronic registration system prior to the date of this circular, this qualifying exam is not a requirement to complete the application.
- For Qatar university graduates, Qatari nationals and residents, circular No. 24/2020 applies to them.
