"Registration Department in Qatar Council for Healthcare Practitioners presents to you its compliments"

In an effort to the continuous improvement and development, and in order to facilitate and accelerate the registration/ licensing process for healthcare practitioner; QCHP announces the introduction of some amendments in the registration/ licensing process of the Intern Dentists as follows:

- Including the Intern Dentist Scope of practice in the Dentist Profession instead of Allied Health practitioner profession.
- In order to change to General scope Dentist title, the Intern Dentist should submit an application to change scope of practice (fulfilling all requirements), upon completion of the required training period (as an Intern Dentist) without the need to submit an evaluation/ licensing request.
- Intern dentist will be eligible to log in to (E-Jaza) system, to grant sick leaves when needed, provided that leave is signed and stamped by the supervisor.

Thank you for your cooperation.

Regards,

Registration team
