

CIRCULAR NO (DHP/2023/112)

From	Department of Healthcare Professions -Ministry of Public Health
To	All healthcare providers in the State of Qatar facilities and individuals
Subject	Cooperation with the competent authorities in the country authorized to collect information and statistical data.
Date	31 December 2023

The Department of Healthcare Professions, Ministry of Public Health (MoPH), extends to you, its compliments.

With reference to the above-mentioned topic and in line with the Department of Healthcare Professions' role in regulating health practices within healthcare facilities across health sector in the country and ensuring their full cooperation with MoPH and Hamad Medical Corporation (HMC) when requested officially to provide statistical and bio data, especially information related to common communicable diseases, some of which were stipulated in Law No. 17 of 1990 on the Prevention of Infectious Diseases and its amendments in Law No. (9) of 2020 and other communicable diseases that have also been classified as so by local and international medical authorities which are considered among the most crucial data that must be monitored, reported and provided to the official authorities upon request via email : cdc@moph.gov.qa

Accordingly, the Department of Healthcare Professions, MoPH, urges all medical directors of health facilities in the State of Qatar to fully cooperate with official authorities tasked with collection of statistical information and any other bio data in the country as mentioned above.

Failure to comply will result in legal action

Thank you for your cooperation,

Department of Healthcare Professions
