<b>Subject</b>	Access to the “Change Place of Work” Request for Healthcare Practitioners after Preliminary Evaluations.
<b>Date</b>	12 July 2015

“Registration department in Qatar Council for Healthcare practitioners presents to you its compliments”

In an effort to facilitate the work flow for healthcare practitioners in the state of Qatar, the “Change Place of Work” request is now accessible in the Registration/Licensing Electronic System after the preliminary evaluation stage, which will enable healthcare practitioners to apply for it when they request to move to another place of work without having to wait until the licensing process is complete or applying from a different account.

Accordingly, after this update, healthcare practitioners will be able to submit a “Change Place of Work” request either after the evaluation stage or licensing stage after fulfilling all the needed requirements.

**Note: QID is not mandatory for changing place of work after evaluations.**
